## Tammy Barclay

Another year has passed, and I never would have imagined that we would still be dealing with the Covid-19 Pandemic, however, much has been learned over this last year and there is much to celebrate. While precautions, case counts, and vaccines have dominated the headlines families have shown once again their remarkable ability to adapt and overcome. With so many families last year pivoting between in person learning and on-line learning the toll has often been significant for parents and children alike, and yet the resilience of our military community never ceases to amaze me. I have heard story after story of families and individuals encouraging one another, supporting one another, and demonstrating the true strength of community in unique and creative ways. Our MFRC staff have, once again, found wonderful ways to stay engaged in with our community through their online programming, outdoor Welcome Wednesday celebrations, Christmas Stocking drop offs and the continued provision of access to the ELC to serve the needs of our families!

These programs have done so much to protect our mental health by reducing feelings of isolation, providing access to community, and reminding us in such uncertain times that we are not alone, and we are not forgotten. Our caring and committed staff rank high on my list of the many heroes who have helped us navigate this pandemic with the critical supports that we have needed to get us through this. There are many others I must acknowledge for the roles that they continue to play in our well being. My deep thanks to our Wing Commander Col. Bouchard and his senior staff for their support and leadership, to Military Family Services (MFS) for their continued funding and guidance, as well as our many partners here at 15 Wing which include DND, PSP, CAE, and various community organizations. Our wonderful volunteers, staff and our Executive Director, Regan Gorski continue to be the backbone of this organization and so much of what we do couldn't happen without their commitment and unwavering selflessness in giving of themselves for the sake of others. Finally, I am deeply grateful for my colleagues on the Board of Directors. It is such a privilege to serve alongside such passionate and knowledgeable people who are clearly dedicated to ensuring the very best we can offer to our military families. It is an honour and a joy to serve the community of 15 Wing Moose Jaw as Chairperson of the Moose Jaw MFRC Board of Directors for the upcoming fiscal year, and I do not take this privilege lightly. Celebrating a wonderful year behind us and looking forward to a promising year ahead as we continue to strengthen our warm and welcoming community!

## MILITARY FAMILY RESOURCE CENTRE (MFRC) GOVERNANCE FORMALIZATION

At the MFRC Governance Forum, Chief Military Personnel Command (CMPC) announced the Chief of Defence (CDS) decision on the governance model for MFRCs. Specifically, the Formalized Model was selected as the construct on which MFRC governance would be established moving forward.

The Formalized Model maintains the "by families for families" governance philosophy, and it builds on current practices by clearly defining stewardship and accountability responsibilities by Military Family Services (MFS); Base/Wing Commanders (B/W CO); and the Board of MFRCs. As presented at the Governance Forum, MFS, as the funder and steward of the Military Family Services Program (MFSP), will establish and monitor standardized Board operational processes including Bylaws, recruitment and selection, strategic planning, performance monitoring and outcome measurement, etc.; conduct financial and program audits; formalize and adjudicate conflict processes with all stakeholders; establish clear responsibilities matrices and monitor adherence. The B/W CO will monitor standardized governance processes ensuring involvement in community needs establishment, strategic plan implementation, Board recruitment, etc. in accordance with established Terms of References (TORs). The Board of Directors will set strategic direction with "Parameters for Practice" guiding implementation of activities associated with the governance/ operations of MFRCs and act as autonomous employers and managers of MFRC staff.

To initiate the implementation of the Formalized Model, CMPC directed that an action plan be produced and published in early 2019. As such, MFS has been establishing a process on which to collect and leverage best practices; determine current gaps and areas of opportunities; and capture the impact of MFRCs in a Formalized Governance approach.

Beginning in January 2019, MFS will be reaching out to MFRCs and B/W COs to discuss participation in the collection of best practices and opportunities to support the building of the Formalized Model components. Efforts will be made to engage as many MFRCs as possible, but to manage expectations and workload, MFS will reach out to different locations for different topics. As always, however, you are welcome to submit your best practices to MFS.

The Formalized Model Action Plan will be published at [www.CFMWS.com](http://www.CFMWS.com) as soon as it is approved. MFS will endeavour to provide updates on the website as new information arises.

## **Independent Auditors' Report**

---

*To the Board of Directors of Moose Jaw Military Family Resource Centre Inc.*

### **Opinion**

We have audited the financial statements of Moose Jaw Military Family Resource Centre Inc., which comprise the statement of financial position as at March 31, 2021, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraph, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2021 and its financial performance and its cash flows for the year then ended in accordance with accounting standards for not-for-profit organizations (ASNPO).

### **Basis for Qualified Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

1. In common with many Non-for-Profit Organizations, the Organization derives revenue from donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues and was limited to a comparison of recorded revenue with bank deposits and we were unable to determine whether any adjustments might be necessary to revenue, excess of revenue, assets and net assets.

2. We were unable to determine whether any adjustments might be necessary to deferred income. The management of the organization has deferred unspent portion of wage subsidy.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

**Independent Auditors' Report**  
**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 1. Significant Accounting Policies

#### a. Nature of business/basis of preparation

Moose Jaw Military Family Resource Centre Inc. (organization) is incorporated under the provincial business corporations act. It operates core programs funded by the Department of National Defence. It also operates other programs internally funded.

The Organization is exempt from income taxes under paragraph 149(1)(l) of The Income tax Act.

These financial statements prepared in accordance with the Canadian Accounting Standards for Not-for-Profit organizations.

#### b. Cash and cash equivalents

Cash and cash equivalents includes short-term investments and highly liquid investments in money market instruments which are carried at the lower of cost and market value with a maturity date of three months or less from the acquisition date. These are valued at cost which approximates market value.

#### c. Property, plant and equipment

Capital assets are stated at cost and amortization is recorded at 1% per month.

Machinery, equipment, furniture and fixtures and other assets - 1% straight-line method

#### d. Impairment of long lived assets

In the event that facts and circumstances indicate that the organization 's long-lived assets may be impaired, an evaluation of recoverability would be performed. Such an evaluation entails comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write down to market value or discounted cash flow value is required. The organization considers that no circumstances exist that would require such an evaluation.

#### e. Financial instruments

All financial instruments are measured at fair value on initial recognition. Measurement in subsequent periods depends on whether the financial instrument has been classified as held for trading, available for sale, held to maturity, loans and receivables, or other financial liabilities.

Investments are classified as held-for-trading and are recorded at fair market value.

Accounts receivable include financial instruments categorized as loans and receivables and are reported at amortized cost.

### 1. Significant Accounting Policies

#### e. Financial instruments

Accounts payable include financial instruments categorized as other liabilities and are reported at amortized cost.

Transaction costs on acquisition, sale or issue of financial instruments are expensed when incurred.

#### f. Revenue recognition

Moose Jaw Military Family Resource Centre Inc. follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Investment income is recognized as revenue when earned.

#### *Contributed surplus*

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

#### g. Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not for profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the the reporting period. Actual results could differ from those estimates and may have an impact on future periods.

#### h. Economic dependence

The Organization received approximately 75% of revenues for services from DMFS(Director of Military Family Services) funded by the Department of National Defence. These core programs operate on renewed contracts for services.

### 7. Credit risk

#### a. No significant credit risk exposure

Exposure to credit risk, interest rate risk and liquidity risk arise in the normal course of the Organization's operations.

##### (a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Organization's principal financial assets are cash, accrued interest receivable and guaranteed investment certificates. The carrying amounts of financial assets in the statement of financial position represent the Organization's maximum credit exposure at the balance sheet date. The amounts disclosed in the statement of financial position are net of allowance for doubtful accounts, estimated based on previous experience and an assessment of the current economic environment. The Organization does not have significant exposure to any individual customer and has not incurred any significant bad debts during the year. Dealing with institutions that have strong credit ratings minimizes credit risk related to cash and guaranteed investment certificates.

##### (b) Liquidity risk:

Liquidity risk is the risk that the Organization will not be able to meet a demand for cash or fund its obligations as they come due. Liquidity risk also includes the risk of the Organization not being able to liquidate assets in a timely manner at a reasonable price. The Organization monitors its cash flow throughout the year to ensure its revenue collecting practices take into account the timing and level of its cash obligations. The Organization has sufficient funds from which to operate and this risk is considered to be low.

### 8. Subsequent events

#### a. COVID-19

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Organization's financial condition, liquidity, and future results of operations. The Organization is dependent on its workforce to deliver its services on behalf of the Department of National Defence. If significant portions of the Organization's workforce are unable to work effectively, or if operations are curtailed due to illness, quarantines, or other restrictions in connection with the COVID-19 pandemic, the Organization's operation will likely be impacted and costs may increase.

Management has applied to wage subsidy program offered by the Federal government for COVID relief. The Organization had to cancel some of the programs during lockdown times and continues to monitor the situation in order to mitigate the risks relating to COVID-19.
