

PSP Summer Camp 2024

Weekly Themes

Kidz 1st Camp Ages 4-9

Week 1: 2-5 July

All Things Canadian

Let's have some fun, eh! We are going to trek across the country and enjoy all things Canadian. First stop, the great white north where we will learn about Inuit cultures, Totem Poles, Northern Lights and more. Next stop, Western Canada! Explore the Rockies with us and cross paths with a moose or two! Making our way through, we will find ourselves on the East Coast with lighthouses, lobsters, and caribou. This will be a week of exploration, learning and fun.

Week 2: 8-12 July

PSP Pirates

Ahoy, me hearties! A pirate's life is an exciting and dangerous one, so prepare yourself to join an adventure like no other! Arrgh, it's all hands on deck to walk the plank and complete a treasure hunt to find the missing treasure box! Will they be derailed by Captain Hook, and unable to find me gold? Be prepared for a cannon ball toss, treasure slime, pin the feather on the parrot, and sing-along to some sea-shanty's, too!

Week 3: 15-19 July

Down on the Farm

We invite all of our animal-lover friends, to join us for some fun down on the farm! We will learn about the country experience, how gardens grow, how to milk a cow, and some interesting facts about many other farm animals. We will participate in an animal puppet show, farm friend's scavenger hunt, and a herding activity. Yee-haw! It is going to be a week of exciting and interactive games you do not want to miss.

Week 4: 22-26 July

Dinosaur Discovery

Roar your way into some colossal fun, as we go on a journey back in time to when dinosaurs roamed the earth! We will explore dinosaur science and create exploding volcanos! This week will be jammed packed with themed activities, such as the dinosaur trek for tracks hunt and we will make our very own dinosaur fossils. Have you ever wanted to create your own dinosaur? Here is your chance! Use your imaginations to create your very own pet dinosaur.

Weekly Themes

Week 5: 29 July – 2 August

Science Central

Curious little minds will enjoy participating in fun experiments and making exciting discoveries! They will be observing, comparing, measuring, and predicting. Campers will use their senses to be creative and caution; this will get messy!

Week 6: 6-9 August

Outdoor Adventurer

Participants will have fresh-air-fun and connect with the natural environment to learn through what they do, what they see and what they encounter. Engage in meaningful outdoor activities while running, jumping, or skipping to release energy and enjoy the thrill of nature collecting through scavenger hunts and exploration!

Week 7: 12-16 August

Superhero's, ASSEMBLE!

Calling all caped crusaders! Our superhero campers can build on personality traits like empathy, kindness, courage and determination and discover your own personal superpower! Do you like to do good by helping people and fighting crime? We will explore and meet superheros that live in our very own neighborhood and train to maintain readiness!

Week 8: 19-23 August

Fun in the Sun

Keep fun in the sun going this week before heading back to the classroom! Campers will enjoy large group camp sing-alongs, swimming, outdoor activities, ice cream sundaes and an end of summer camp BBQ. Our campers arrive as guests, and leave as friends with great experiences and wonderful memories to share!
