

Annex A

As per the Wing Commander's direction, I \_\_\_\_\_ understand that if I do not have a valid Basic Military Swim Test (BMSS) that I must wear my personal flotation device (PFD) at all times when using the watercraft that I have signed out from the South Side Gym at CFB Trenton.

I also understand that I must return the water craft no later than 1500hrs on the day of sign out. Failure to do so will result in the Military Police being called as you are presumed missing on the water. \_\_\_\_\_(initials)
